BENEFITING THE STUDENTS OF ST. FRANCIS

Each year the St. Francis Alumni Association hosts the Golf Classic as an opportunity for the St. Francis community to raise funds for students. While a portion of the proceeds are given back to the school’s financial aid offering, the Alumni Association also awards scholarships from \$500 up to a full tuition to current St. Francis students who exemplify Franciscan values and live the code of the Golden Knight.

St. Francis High School opened in 1946 with a freshman class of 25. The school now attracts hundreds of students from a large geographical area with a broad socio-economic and ethnic population that reflects the diversity of the Southern California community. St. Francis is a college preparatory institution with the teaching approach of enriching the mind and heart. To learn more, please visit www.sfhs.net.
